

WINTER SCHOOL @ UFS SOUTH CAMPUS

8 April 2025

DEAR MATRICS AND PARENTS

During the June holidays a Winter School for matrics will be presented on UFS South Campus. Chief Examiners and Senior Markers will refer to questions frequently asked in the end of the year papers. Learners will be trained how to answer specific questions and how to eliminate common errors made by candidates.

This year, the Winter School will be presented from 30 June to 4 July. We are very excited about the overwhelming interest in the Winter School so far.

The subjects to be presented are:

MATHEMATICS, MATH LIT, TECHNICAL MATHS, TECHNICAL SCIENCE, EGD GEOGRAPHY, ACCOUNTING, ENGLISH HL, ENGLISH FAL, AFRIKAANS FAL, PHYSICAL SCIENCES, LIFE SCIENCES, BUSINESS STUDIES and ECONOMICS.

Every day, there will be a double session for Mathematics.

Learners are **not limited** to the number of subjects they wish to register.

The teachers who committed themselves to this program are some of the most outstanding in FS Province. Learner material in the form of a 40-page book will be provided in each of the subjects. This is included in the fee of R350 / learner. All the study material and notes will be provided upon arrival on 30 June.

The Winter School Contact Teacher will compile a subject list of candidates for each school. The Contact Teacher will send the completed SUBJECT REGISTRATION FORM to monyetlabursaryproject@gmail.com by 1 June 2025. The last day for registration is 31 May 2025.
